

**Facing Failure**  
**John 21:1–19**

Lessons From Peter:

**1. Accept Failure as a Fact of Life, Not as a Way of Life.**

**2. Allow Failure to refine you - not define you.**

God can use our failures to teach us

God can use our failures to humble us.

God can use our failures to strengthen us inwardly.

**3. God's grace is greater than my failures.**

**4. Jesus Chooses and Uses Us despite our Failures.**
